

Blood Test Services are changing from July 1 2018

We have listened to patient feedback from your current and past experiences with Phlebotomy and have taken your opinions on board.

All our patient blood tests from 1st July 2018 will be dealt with at Hamilton Medical Centre, we feel this will improve continuity of your care.

**Please ensure that if you are due a blood test from July onwards, you book it in at Hamilton Medical Centre only.
We have Blood Clinics daily.**

If you are housebound and need a blood test then please contact the surgery to arrange this.

**Visits will only be undertaken for housebound patients
only**

Any queries about this Service please ask reception
